March 1, 2024

Dear CRES Parents and Guardians,

\*This was a great week to celebrate our love for reading at CRES. The themes associated with Read Across America coincided with the Read-A-Thon fundraiser and the results have been great! Students have until Sunday to finish logging minutes and submitting donations for the Read-A-Thon. Please help your children log minutes accurately. Winners will be compiled by the PTO and announced next week! So far, this is what our district has achieved: **512 Readers, 181,433 Minutes spent reading, and \$42,254 in total donations!** Awards are given for every student who reaches their goal. Top Readers and Top Fundraisers receive medals, and the classes that read the most and fundraise the highest in each school will also win a fun party! We hope your family will participate. There is no better way to build a love for reading than reading everyday!

\*The Kids Heart Challenge has come to an end! Over the month of February, CRES has raised over \$8,000 for the American Heart Association! Thank you so much for your generous donations and all of your support throughout Healthy Heart Month! We are so happy to see students sharing their CPR skills with their families while practicing active ways to keep their own hearts healthy. Great Job CRES! #CRESCares

**\*Attention 5th Grade Parents:** Please email one baby photo of your child to Mrs. Auletta to be featured in the yearbook along with the rest of the graduating class. More information can be found on the Science Google Classroom. Photos are due to [auletta@coltsneckschools.org](mailto:auletta@coltsneckschools.org) by April 1st.
